Dear Mr. Tilley,

Some years ago Gerard Selby and I sued the Zapruder estate, he ~~to~~ use the Zapruder film in a documentary that won him a golden eagle award and I for slides to be used in my work. The suit was settled out of court. The photographer who had promised to make those slides for me backed out and I could not afford the Archives' charges for doing the entire reel.

Now, however, I would like ^{two} ~~to~~ of those frames but rather than as slides as 8x10 pictures in color. I believe the numbers are 337 and 338. There were ~~nine~~ more of those slides of which the FBI was to have made black and white prints for inclusion in CE 88% but the FBI omitted them. The two I want are the third and the fourth of those nine, please.

Please let me know the cost and I'll send you a check.

Sincerely,

Harold Weisberg

If you have any trouble finding a copy of that agreement, Jim Lesar was our lawyer.
